“ So many memories of Granpa!! Granpa was always there for me growing up and for my kids, he was always concerned about education, making sure you had a jacket on, shoes on when riding a bike, wanted to make sure you had money, tires were good on car and make sure your car was running good!! Always told us all a story of him being Indian Chief, with his picture above fire place!!!And when I was little and him and Granma would come to visit I always got a new baby doll every time!! Heart is full of memories! Always lit a room up and never met a stranger!! Ballgames, and 4th of July parades and Memorial Day / Veterans Day ceremonies we attended together! Granpa was proud to be an American and loved his family! Rest in Peace Granpa in the Arms of Jesus
