“ *Daddy you were my hero my everything. I love you more than I could ever express in words. I was so blessed to have an amazing loving daddy as you were to me. My heart is breaking knowing you are no longer here on earth. I know you don't want me to cry and be sad but it's so hard to do that. Life will never be the same without you here. Please stay with me daddy always. I can't wait to see you again in heaven.*
