“ *I remember when he was bitten by a snake at mailbox alongside country paved road at about 5:00 in the afternoon when he was young boy ! I remember when he saved Lonnie's life from drowning, when Lonnie was about 3 years old and tricycle tipped over on Lonnie, at edge of farm pond.*

I didn't know about the snake bite, but drowning Ronnie not Lonnie. If weren't for daddy we would have lost Ronnie then. Lots of memories.
