“ I am so very sorry for your loss. May you find comfort in the Bible's hopeful message where it reveals that God's purpose is to restore the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. "The hour is coming in which all those in the memorial tombs will hear his voice and come out." (John 5:28,29) I hope that you find comfort through the power of heartfelt prayer to God and your wonderful memories during this difficult time.

“ We used to be so close and I have wished for so long that we could have that closeness back but it's to late now and I have regretted it every day for a long time now. I'm sorry that I wasn't there for you when you needed me the most, this will haunt me for the rest of my life. I know you are at peace now and with Jason again. Just know that y'all will be on my mind and in my heart, forever and always. I love you both and will see y'all again one day.....
