“ *My deepest sympathy to the Chavers family in your loss. I did not know Mr. Chavers personally, but I knew Darla from Marbury High School. God will give you the strength to work through your grief if you will turn it over to him. I have thought of Darla through the years and wondered how she is doing. I would love to hear from her.*

“ *Sonny and I weren't the closest of friends, but we certainly were brothers in The Lord, and brothers in service in the 908th. He lived his faith and the Air Force values. He was a fine example to all who knew him. He will be missed.*
