“ Gail and Family: I was saddened to hear of HG's passing. We both worked at the Prattville paper mill starting way back in the Union Camp days and now IP days (I still do!). I am so sorry for your loss...I know you will miss him tremendously. He stepped into the waiting arms of Jesus, as we all can if we know Him and claim Him...Praise God for the hope that we have in Jesus. Eternity is real and we can have it. You'll see HG again! Prayers to you and your family for peace and comfort every day.
