“ We just found out about Horace’s passing and send our deepest sympathies to his wife and family. Horace was always so amenable and friendly with positive words. He will be missed from many venues around Prattville as he was instrumental in the existence of them as well as his many coaching endeavors. I know Chip and all are hurting but know his memories will last forever. RIP Horace!

“ Sympathies to the Powell family.

His wife was my school teacher in the 5th grade and I went to school with his son Chip.

Rest in Peace, Horace.

“ Cathy, my sympathies go out to you and your family for your loss. Over the course of your lifetime most of us are fortunately to cross paths with people that really leave an impression on your memory...particularly during your childhood. For me, your dad was one of those people. He always spoke to us younger kids when we saw him at the "Y"...made us feel kind of special that a non-parent grown-up would do that. To this day, I can not watch any kind of 1-on-1 basketball without remembering watching your dad and Larry Lott go at it on the YMCA court...neither giving or taking an inch. (The things one remembers from your childhood). I know he will be missed by all...and after you take time to properly grieve, I do hope that you also take the opportunity to remember the good times and the positive influence that your dad left wherever he went. Take care and be well.

“ I have some wonderful memories of Coach Powell growing up in Prattville. He was such a caring and giving man of God and I feel honored to have known him. My last memory of him was when he called me when my brother, Jeff passed away. He was so kind. Prayers to all of his family. What a huge loss.
