“ Our childhood memories were pleasant as he was at our home lots and always had laughter, jokes and smiles--quite mischievous most of the time. A great uncle who came to us quickly on numerous occasions to comfort and support us through several endeavors both sickness and deaths. He always wanted no tears just a party at his passing--so Rest In Peace Uncle Houston. He will be greatly missed. Special thanks to Barbara for always being there with him to support us. Love from families of Cindy Cooper, Marie and Loyd Early, Henry McCartney and David Hudson

“ *When Uncle Houston would talk to me as a teenager, I remember positive thoughts and aspirations for my future. I also remember a very contagious laugh that could only make for a happy and pleasant visit. Some of my visits with Uncle Houston and Aunt Barbara are still in my heart and mind, even though passing of time seemed to prevent a close connection. My prayers are with Aunt Barbara, James and Emma and their families.*

“ I knew Houston or Mr. Lucas as "Luke" for many years. He was the best friend of my father Charlie Caldwell and I know he will be greatly missed. He put up a long and valiant fight the past many weeks. On behalf of the Caldwell family; Charlie, Michael, Carol, Jeffrey and Joy, we want to extend our most sincere condolences to Mrs. Lucas and the entire Lucas family.

“ As a kid, I remember I couldn't wait to get to the summer months. It meant I would spend them with my two cousins, James and Emma, along with Uncle Houston and Aunt Barbara. The time I spent with my Uncle Houston and his family was amazing. It allowed me to be part a family unit that did things together and for one another. I remember his laughter more than anything. He always showed me kindness and made me believe in the future. He was a great man and will be missed.
