“ I am reading my father’s letters (Paul Burger) from the ‘50s that he wrote to my mother and he writes about Howard. They met on an air base in Nagoya in the early ‘50s and my father visited the Gibbons family in 1955 in Prattville. With his brother, Howard drove them around in a hotrod. Coincidentally my father lived in Port Saint Lucie Florida before his death in 1988. Very close to where Howard lived in Stuart. RIP.
