“ *Command Sergeant Major Chance was a pioneer in the Family Program for the Alabama National Guard. He led the program for the NG for several years and his performance was outstanding. It was truly a honor and privilege to work with him over the years. We would always talk of family and Jesus. He lived the Army Values, but most of all he lived to share Christ. He will be missed by many. God Bless.*

“ *Hubert and Linda have been our "old soldiering friends" for many years, about 50, I expect. We love them both dearly and it is with deepest regret we heard of this news, just the news of cancer was sad, but they had a long journey and Hubert is now safely in Jesus' arms. May God give this precious family peace that goes beyond understanding. In the name of the Father, Son and Holy Ghost.*
