*These are some lyrics of a song "the way it should be" .....  
....but I live just the way I want to and that's the way I should..  
... if each life is just a grain of sand, I'm telling you this grain of sand is  
mine. Mike lived his life his way, which I'm trying to find comfort in that,  
but I .....I just can't believe you are gone!*
