“ Many fond memories with Katie at the Tew house during my elementary school days. I can vividly remember our moms at the top of the hill at Prattville Elementary talking while they waited for us to burst through the double doors at the end of the day. Mrs. Tew frequently invited us over for a swim during the summer. There were many sleepovers as well. Katie and I would sit in the floor watching TV and drinking Coke from a bottle. I remember playing in the white carpeted living room and dinners in the kitchen. Mrs. Tew was always smiling, laughing and welcoming. My thoughts and prayers are with the family during this difficult time.----Monica Clark Smith
