“ *End of year, 1978 Brenda and I took the step of faith to follow the Lord to Montgomery, Alabama, and First Assembly of God. Shortly thereafter the Gibbons family invited us to a meal and took us under their wing and welcomed us into their family. Mr. and Mrs. Gibbons, and their three daughters spiritually adopted us and our time in Montgomery, was highlighted by the warmth and hospitality of the Gibbons family. We had left everything, including our own dysfunctional families in Florida to follow the Lord, and it was as if the Lord had placed us into a very functional family to show us what a Christ centered family looked like. Those years were very formative for our spiritual and marital lives and when our first child was born in October of 1979 the Gibbons family showed us what it was like to be a family. Mrs. Gibbons taught us many things, including how to make her fabulous biscuits and fried chicken. After meals they showed us how Christian families interacted, and we grew healthy in our lives in Christ. Brenda and I will always treasure our relationship with Mrs. Gibbons and family.*
