“ Malcolm and Sonia - has been a long time since we have seen each other, but it does bring back many good memories. One memory that is so special to me is that you all shared a vacation and let me go with you all to Gulf Shores. That was my first time to go to the beach Another one was Daddy used to pull Carolyn and me to church in our red wagon and you all would take us home after church. God bless you all at this difficult time.. Just is case you get this twice, the first time i typed it, I lost it so please delete one.
