*I just wanted to share that I found a beautiful rock with the bird on it with Jacqueline's name and her dates on it, it was very special to me. 💜 I lost my daughter Kacy Harris on June 16, 2016, she was born on September 13, 1996. A Dead and leaning tree fell from the side of the road On County Road 59 also known as Bridge Creek Road. The tree landed directly in her front window at about 11:30 at night. I sent all my love and prayers to you and your family but I just wanted to share how special it was to find your rock and how much it meant to me. PS I found it between the tomato plants at Walmart in the garden section and it was the perfect timing for I was having a very hard time that day. Love Kacy's mom... Carrie Mattingly Harris*
