“ I've been in love with my daddy since I can remember. He was my hero. I always use to say I want to marry my daddy. The memories I have of you will last forever. This is the hardest thing that I've ever had to go through in my life. I love and miss you daddy and I know you're in a better place now. Your loving daughter Katie, as you always use to call me.

“ Like it was yesterday, I remember holding hands with my dad, Richard and his sweet friend James, while hopping over water puddles while rabbit hunting with dogs. James had a beautiful smile! I pray God will comfort Katie and jimmy thru this most difficult time in your life. Love Angie mccain happney
