“ My favorite memories of Jimmy were when when we were very young. He would fix up the wheel barrow and ride me around in it. It seems like we pretended we were going to meet the bus bringing Aunt Sylvia home from Montgomery. Also he and Jackie Dennis would ride me on their bikes and that was really fun. And my goodness the hours we spent playing with his train set. All fun.

“ My sympathy to the Huey family. I will always remember Jim's presence and beautiful music at St Joseph church. I regret that I was unable to attend the Service for him. You will be in my prayers.
