“ I was so sorry to hear of Mr Archie’s passing we came to love him and Mrs Nellie at Fountain City Eyecare in Prattville he was such a sweet person loved to see him in those overalls and a real pleasure to be around. Even though he tried to act like he was a tough customer. I know he’ll be missed dearly. My prayers are with his family and Mrs Nellie.

“ I am so sorry to hear of Archie’s passing from this lifetime to go home to be with his mom and dad, uncle frank and daddy. It’s 1053 am on the 17th and had we known we would’ve been there. Archie was my hero growing up and taught me many of life’s lessons that I probably never would have known otherwise, our condolences to Carol, Tony and Lacey, we’ll be praying for y’all that the Lord comforts you during this difficult time. Take solace in knowing that we will see him again in heaven when our time comes and we will all be reunited on that day. He’s the best uncle, mentor, and friend I could ever have asked for, Rest In Peace Archie, you are loved more than you could possibly know.

“ I am so sorry to learn of Archie’s death. He has been a wonderful friend from many years back. We were classmates at Robinson Springs School and had recently reconnected at a class reunion. I am so thankful to have seen and talked with Archie after so many years of silence.
It has been a blessing knowing him and the joy and fun he was been to his many friends. His has been a life well lived!
Praying for God’s love, peace and comfort to be experienced by his sweet family and friends.

“ To Carol , Tony & Lacy,
We have so many great memories of Archie while he trucked through Oklahoma a long time ago. We ran the Truck Stop in Oakwood, Ok. where is usually fueled, ate and visited lots and lots of times. He was such a wonderful man that we grew to love and really looked forward to seeing on his trip through our state. We were so blessed to have gone down to Elmore to see him, and his wonderful family in April, 2018.
Archie, Rest in Peace, our friend. You deserve it and we will see you again when we get there.
With our love & sympathy,
David Brown
