“ *Jane,  
I have no words other than my heart hurts for you all! I have so many wonderful memories of working with you both. Especially, James calling me "kiddo". My prayers are with you and your family in this time of loss.

“ James was definitely one-of-a-kind. His sense of humor cheered me often, and his extensive knowledge of sales tax helped me many times when I had questions at work. He and Jane always shared a little smooch when they parted ways for their separate offices each morning. I know Jane, the rest of the family, and his many friends will miss him greatly.
