“ Jim,
You were one of the few true computer scientists that I've had the fortune to know. You took me under your wing at CDBA nearly 30 years ago and turned me into a skilled database designer. I regret that we only recently managed to reconnect. You left us far too soon. I will miss you and send my sympathies to your loved ones.

“ I am so very sorry for your loss. Please find comfort in God's sure promise of a resurrection as set forth in the Bible. (Consider Acts 24:15; John 5:28,29) Those who are raised to life will have the prospect of never again being subjected to misery, sickness, or death. (Revelation 21:3-4) I hope that reflecting on these thoughts will give you some relief during this difficult time.

“ Aaron and Nathan, You were blessed to have a wonderful father and mother. They are now together again. Jim and I were friends for 30 years and we ate lunch together for the past 15. I think of Jim every time I eat at Sundown East and Ming's and a smile comes on my face. I truly enjoyed being around Jim and we shared many great times together. God bless both of you and we will see your parents again soon. Please let me know if I can help help in any way. Take care!!! Steve Wright
