“ I am so sad I could not be at your dad's funeral. Our family fell in love Lealon. Mother always called him her pea picking buddy! Your grandmother, who I called Mama Halford was so happy when your mom and dad married! She thought the world of your dad. We all did! My thoughts and love are with you both. God bless you all.

“ I am his oldest son and there are many memories to share but the one I have most is running from right field with wet pants. But daddy taught me to be a boy and raised me to be man.
