“ Please accept my deepest sympathies for your loss. The loss of a loved one is the most painful experiences in life. There is a void that cannot be filled. Rest assured that the Bible promises we will hold them again and enjoy their smiling faces forever. It is God's purpose that no one dies ever again and everyone live on earth in Paradise. God never wanted anyone to die but to live happy healthy lives forever on earth. We have to exercise faith in his Son, Jesus Christ, to gain these blessings. God gives us his Word so we can gain comfort now and have hope for the future.

“ *" Dear Sweet Jimmy "*

Such good times we had and fond memories we made...most of them on the river fishing, steaks on the grill or just riding and talking...Lots of talking... You were there for me through many difficult times. You lifted my spirits with your insights and the reassurance of your voice calling me "Sweetie". For those moments I am eternally grateful.

I wish I could have been there for you during those last moments of your suffering alone. I pray you are now sharing joyful times with your Mom and Dad and are finally at rest and pain free.

I will always treasure you and the bond we shared... Be at peace....

I will always love you...

“ Jimmy Rolen was one of the finest & most decent people I have been honored to have known. We met in 1972 when I was keeping the books for his father's grocery; and got together every year to prepare his tax return, an event I looked forward to because we would bring each other up to date on what had been happening in our lives. Jimmy will be missed by me and a lot of us. My condolences and prayers to his family. I am sorry this happened.
