“ Please know how heart broken I am to hear of Mr. Smith's passing. He loved picking on me and I loved giving it right back. I spent a lot of time at your house in high school and will always have great memories. Love you all-Beverly Pye

“ Kenneth was one of my favorite cousins. We always loved when his family would come to visit us every Saturday when we were young. Our grandmother would come over to get to spend time with our families. Uncle Wesley and Daddy would have the best time visiting. They both had large families, but that just made it more fun. He. Dalton, Joyce, Ann, Peggy and I would find our ways of having a good times back when we had to be creative to find things to do. That wasn't hard for us as we all loved the outside. That was a good thing because that is where kids played back then.

Kenneth, Mary Jean, and I have continued to be close as we became adults. I treasure all the memories. Mary Jean loved Kenneth from the time she met him at Orrville High School. What a beautiful family they had. You could see the love of his children, grands and great grandschildren when he talked about them.

I will miss him, but know that he is in heaven not suffering. RIP

Love you, Mary Jean, Kim, Tammy, and Jimmy.
