“ I was just thinking of Jamie and found this, wow. Jamie and I went to school together and were in some of the same classes at Prattville Intermediate and in the band at Prattville High. Jamie and I were hyper-active kids with not a lot of friends back then but we kept each other laughing. I will always pray for your family when I think of you. Hope to see you in Heaven one day, friend.

“ i am very sorry to read about the loss of Mr. LaFogg. The death of a loved one is always hard to deal with. God's word, the Bible, offers comfort and hope. At John 5:28, 29, God promises that "all those in the memorial tombs will hear his voice and come out". What does that mean? That means that all of dead loved ones will one day awaken from their sleep. How comforting! May this aid you during this time of grieving.

“ I spent a few weeks in training class with Jamie and he was the funniest and friendliest guy I got to know in OKC, full of stories of his time in Alabama. May God rest his soul in peace and may his memories comfort his family in this very difficult time.

Respectfully,

Mark Kimani.

“ Jamie,

I'm very sorry to hear that you have gone and left this world. I am very thankful for the memories of working with you at Catfish house. Those were some great fun years and you always were happy and smiling and knew how to make someone laugh. Will miss you buddy.

“ I only had the chance to meet Jamie twice, but I will always remember how I felt. I had a opportunity to meet a man that truly loved his family and showed it with his action. I'm blessed to have had that chance and pray for comfort over the pain of his passing to the family and friends he loved so much.
