“ To the Carlton family: May the comfort from family and friends strengthen you during this difficult time, and may you find comfort in the words found in the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ I was one of her CNAs that helped take care of her. I loved her like she was one of my family. Even when she was asleep and she would hear my voice she would open her eyes and look for me. I would dance with her to her favorite song rocking robbing and it would calm her down. She would raise her head to touch my forehead like she knew I was having a bad day. I will cherish every moment I was able to be in her life. I love you Mrs. Janet and i will always carry you with me in my heart every day.
