“ *You will be truly missed. My last memory of you was when Chuck and I came to see you in 2011. I had the best time! Stevie may have wrecked his new truck bringing wood down to the bon fire, but we still had fun! Lil Bill let me shoot his gun & you enjoyed your Miller High Life!!!! You reminded me of how good an Alabama plate lunch was and when you rang the dinner bell people came running up the hill! I love you, and please say hello to everyone.*

“ I love you to the moon and back Gmaw. I appreciate the love you gave me and for always being there for me and everyone else. Just thinking about your smile and laugh makes me smile. Its going to be hard not being able to pick up the phone and talk with you or just being able to drive to your house for a visit but I know that you are in heaven watching over us all from above. I love you Gmaw.
