“*Karl, please accept our heartfelt sympathy. Jeanelle was a wonderful person and friend. We fondly remember the good times we shared at flight school, Titusville and the Washington, D.C. area. We would be there if we could, but circumstances require us to stay in P.C. right now. Take care of yourself.

“ I was fortunate to work with Janelle when she was with Jack Ingram Motors. She had the most wonderful telephone personality I had ever been around. She had a smile that was out-of-this world. It wasn't long before we became friends and she was a great friend. She touched many lives. My condolences to the family. We will miss her.

“ What I remember most about Jeanelle is how her whole face lit up when she smiled. Her eyes always twinkled -- and she smiled and laughed a lot! She was fun and funny and always so kind. I loved being around Karl and Jeanelle as a kid. There were those cutthroat Scrabble games and lots of fun and laughter at their house. Condolences to Karl, David and Becky and your families.
