“ I remember the first time I met Jerry, we were at orientation for ats. We went around the room and said how long we had been driving truck for, when Jerry said when he started I said wow my mom was 4 years old. He was an absolute legend. We spoke atleast weekly and I'll miss his humor and kindness greatly. He was humble enough to befriend a young guy like myself and anytime I would call him with a truck problem or just having a rough day he'd have an answer, and I'm going to miss that alot. Words alone can't express my sorrow at hearing of his passing, and I know not a day will go by that I don't think of him or one of his many stories. I was driving tonight and reminiscing of all the fun times we shared. I'm glad to know that I met him and got to spend a few years as his friend. I pray that God will grant you all peace in this difficult time. I hope that one day we will all be reunited with him and all our loved ones in Paradise.

*Sincerely, Nolan Gasser*
