“ Kenny, Tane', and Carla I am so sorry, I wish I knew of this before today. I lost contact awhile ago and was looking to reconnect to Uncle Jerry, Last I saw him was when my dad passed in 1990. Please accept my heartfelt condolences.

“ My family would like to send our condolences to the Miller family for the loss of your dear loved one. May you find comfort and hope from the bible promise at Isaiah 25:8. Pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.

“ Kenny, Carla, Tani, Freddie & families.
I've loved Jerry since we were very young children. As cousins in a very large family we all spent a lot of time together playing mostly and then growing up and becoming friends for all our lives. After Jerry retired from the military we reconnected and never broke that. We have visited back and forth in person and over the phone.
Lois was a dear wonderful gal also. That we loved dearly.
To say we'll miss this family connection is an under statement.
God has taken him home to rejoin the others in the family there before him.
Our Blessings and Love to all and we would love to stay in touch.
