“ *When I think of Titi Elba I can only feel joy. Everything about her was easy, feel good enjoyment. Her tiny body carried enormous strength and wisdom. I am grateful as she stayed and helped me during challenging times. She was guidance with sweetness always in her heart. I loved and admired her very much. I rejoice for their is solace in her peaceful departure. Hugs to the family, Much love Always, Doreen*

“ My heart goes out to Sam, Cindy, Daniel, and Michelle. I am so sorry for your loss... Your mother was always a beacon of hope for me. She had a heart of gold. She knew what I was going through at home and offered her love...I felt so safe. I fondly remember your house with the two Lions greeting at the porch. The beds that retracted into the wall...When we visited, your Mom and Dad were always comforting and good to me. Your house was a safe house for me and I will always be grateful for your Mother's undying, unconditional love. One of the first things that comes to my mind when I think of her, is the pot of rice and beans on the stove. Boy, I loved her recipe! It is all a part of her caring, comforting, style of life. I know that you all will miss her terribly, as will I.
