“ *Always enjoyed being in Joni's presence. She was indeed a woman who had seen much sorrow but lifted her heart upward to the Lord Jesus Christ...*

“ *Joni.... what can I say, other than you are one of a kind and saying that, I mean that you were on this Earth an Angel and I know that God is so happy to have you back with him. Joni, oh how I have so many, many fond and loving memories of and with you. you always would make me laugh and you could give me some looks that no one could ever believe, when I would say something off the wall. Joni, I want to say that you are and still are a beautiful person and oh how you would see that other ones got their needs no matter what. God created a beautiful Woman when he created you. I'm so Blessed that he brought you into my life and let us borrow you for the time that he did. Joni, God needed you back and I know that you are smiling with no pain and you are with the ones that God called before he called you. Until we meet again, I want to thank you for being a part of my life and I want to thank our All Mighty God for creating you. Make you dance like no one is watching, just like you did when passing through here. I love and will miss your beautiful self, but I will cherish the Joy, Love , Knowledge, and your Beautiful Self until we meet again. Smile REAL BIG JONI.....*
