“ I also have known Ms. Joann my whole life, she worked with my parents at the Maxwell Drug Store . I had the honor of growing up with Bryan. No matter where you seen Ms. Joann ,she had to give you one of those infamous hugs ,she was a genuine lady and mother. She loved her children, grandchildren, and Great grandchildren . I had the honor of being able to work with her being able to see better as I know she was excited about it. We lost touch over the years but I know she was never too far away. R.I.P. Ms. Joann . I recently moved to Marbury and was able to establish a relationship with her again at the Citgo where she worked. It will not be the same.

“ My memory of Ms. Joann goes back as long as I've been on this earth. Ms. Joann worked with both of my parents at the Maxwell Drug Store in Montgomery Alabama. I also worked with her after my father passed on to be with our lord there are no words to express how much she will be greatly missed . I know she is in Heaven feeling no pain and heartache she has been reunited with all of the loved ones that went on before her. I also went to school with her son Billy as we were very close and we shared plenty of memories. Ms. Joann loved you as if you were her own no judgment. R.I.P. Ms. Joann fly high with the Angels.

“ I remember how devoted JoAnne was to her family and how she reached down and found the strength to care for them while she was sick herself. The memory of her chocolate fudge cakes makes my mouth water. I recall how she loved her hummingbird and set out feeders and enjoyed watching them. She told me this year had the prettiest hummingbird in years. I will always recall her love of flowers. JoAnne lived out her faith each. Her love for God's word was an inspiration to me. I love you JoAnne and will miss you. Cheryle
