“ *Scarlett and family - I am so sorry I missed the service. Kept looking for newspaper or Facebook post until I found under Funeral Home. Joe was a wonderful friend to all who knew him. He was dedicated to all he worked at, especially Anniston Police. When he left we all said we lost a great employee. Sorry he had to endure cancer which is a nasty disease and so hard on the person and family both. Prayers for you all in the days ahead. So hard to see good ones taken. He will be missed by all who knew him.*

Mrs. Rowe - When I heard the news about Joe's passing I was devastated because I wanted him to be healed on Earth so he could be with you. My prayers continue to be with you! I love you!

“ *The one thing I will never forget about "Joey" is the downhill car he built for our Cody from spare parts. Cody ended up with a scarred finger that was always a reminder of Joey's love for Cody and other children.*

We loved Cody so much. You know he met Joey and told all the people in Heaven that Joey is the one who built the infamous go cart. Love you, sweet friend.

“ *Joe was a true professional when it came to investigations. He always worked to protect the most vulnerable clients at BB&T. I had the pleasure to have him on my team and although I never had the opportunity to meet his family I know he was a family man in every aspect. He certainly made the world a better place.*

“ I had the privilege to call Joe Rowe, my friend. Joe abs I worked together for many years at BB&T, and I was so blessed to have him in my team. Joe will be missed, but my life was changed for the better since Joe was in it. God’s blessings and comfort to Scarlett and the entire family.
