“ *Most of my memories of Larry are sports related. One of my 1st memories is the reaction most people had of a 12 year old boy who was already almost 6 feet tall, playing basketball against other 12 year old boys who were hardly 5 feet tall. We were friends all the way through our high school age and would occasionally bump into one another through adulthood. He was truly a 'GENTLE GIANT'. My condolences to his family and all others affected by his leaving this earth far too soon.*
