“ This is like a memeber of my own family passing. Mr. Myers and the entire family are so loved by me. There was nothing like growing up and having them as a part of my life. I am so saddened by this news. They provided love and support for so many years to me and others. I am sure the loss will be felt for many years. I can not say how blessed I am to have them in my life and to have grown up with them in mine. Gayle, you are a strong, beautiful woman. God will surely see you through this. He will comfort you and and allow you to change your sorrow into beautiful memories. You are so loved. All of you are. I feel like I have losted my father again. I spent so much of my life with ya'll. Forever, ya'll will be in my heart.
