“ *When I think of Field & Suzan, "true love" comes to mind. Time and distance never diminished the love affair that started at Valley High. How wonderful that you had many years together to treasure one another. I'm so sorry he is gone.*

“ Suzan, I know this has been a long, hard battle to keep Field happy and well. And I know you would not have had it any other way. And I know that you know Field is in a better place. However, all these things do not matter right now as you are hurting from the loss. Just know that you will find comfort in these very things in days come to pass. And know that I am praying for your comfort and feel for you at this time. You are and have been a great friend to me all my life and if I could change any of this for you, I would. I love you as always. Your ole friend, Brendarm
