“ I worked with Mr. Hurst at the old post office downtown Prattville. The most polite man I ever worked with. He always had a sweet smile and treated everyone as an equal. My deepest condolences to his daughter and their families.

“ Frank Hurst was one of the finest men I have ever known. He was a man of incredible wisdom and character. He was a Father and Grandfather that set an example for others to live by.

He served his country and his family with the heart of a giant. He will certainly be missed today and for many years to come.

Remembering this great man and his family in our prayers.
