“ I am so very sorry for your loss Naomi. Joe was such a special person to all that knew him. I will miss sitting on the front porch and talking football with y'all. He was always genuine, never more and never less. I loved listening to him tell all his stories and seeing that mischievous sparkle in his eye right before he would get you all flustered about something. He loved you very much and I know that you loved him. Again, I am so very sorry.
