“*Dear Surette Family,
I want to thank for allowing me to know Joe, even if only a small part of who Joe was. I have enjoyed working with Joe at PD-Rx Pharmaceuticals. I also enjoyed seeing him while Joe was working in the home office in Oklahoma City recently. It had been several years since I had seen him. I was so concerned about Joe's health in 2020 and I tried to keep checking in on him to make certain he was hanging in there. I had hoped that he would be able to continue to rocking on and I had hoped to see him again but sometimes Life has other plans.*

I am deeply saddened for the Surette family, friends, and loved ones. Cherish all the memories and keep going and doing what he would have wanted of you to do, but I am certain you all made him proud just being YOU..

I will forever hear Joe say "Hey Wild man" when I picked up the phone.

It was a pleasure and and honor getting to know Joe."

My Deepest Sympathy,

Shawn Slattery

“ *We have so many memories of Joe and his family from city ball, high school ball and travel ball. For several years our families were intertwined and our daughters were best friends. Amber and Danielle were always together either at our house or theirs. We always had so much fun doing travel ball and Joe was always there. We were all one big extended family. He is going to be missed so so much.*
