“ *Juanita was always kind and gentle when it came to the way she communicated with me. I will miss her cute little under the breath laugh that she had. I knew I was doing something right if I heard that laughter from her. God Speed Sweet Juanita! Love You, Holly*

“ *Juanita was the sweetest mother-in-law I could hope for. She always had a kind smile and an infectious laugh. I'll always be grateful for our times together--which there were far too few of. She made our world a better place by simply being in it. Juanita will be greatly missed but remembered each and every day.*
