

Kacy Elizabeth Harris

September 13, 1996 - June 16, 2016

Kacy Elizabeth Harris was called home to her heavenly father on June 16, 2016. She was nineteen years young when a falling tree claimed her life. Kacy was born, a beautiful gift from God, to Carrie Elizabeth Mattingly Harris and Nathan Charles Harris on September 13, 1996 in Montgomery Alabama. She was the one and only baby sister to Sara Ashley Elizabeth Mattingly. As a child, Kacy was well-known for her strong personality yet gentle features. When she and her big sister would argue, Sara would sit on her and hold her down until Kacy would give up and said, "I love you". Kacy loved to play piano with her sister and they would often argue over who had the most of the piano bench.

In high school, Kacy was a member of the Marbury Northstars Band where she played the clarinet. Kacy made friends with everyone she met throughout her life.

Kacy was a full time student at Auburn University at Montgomery where she had just finished her second semester of undergraduate classes. Kacy made the Dean's List both semesters that she had completed at AUM. She was excelling in every aspect of her life and was managing to make new friends every day even while putting so much effort into her school and family. Kacy was loved by an overwhelming amount of people and her legacy will continue to live on in our hearts until we can see her sweet face again, hopefully sooner than later. Until that awaited day, we will cherish the memories she left us with and we hope to feel her spirit in more ways than we

can count.

A memorial and celebration of Kacy's dear life will be held on Thursday June 23, 2016 at 2:00 pm at Prattville Wesleyan Church. 1274 East Main Street, Prattville, AL 36067. All are welcome to attend the memorial and reception immediately following to come help celebrate the beautiful life that Kacy lived out.

“ Kacy, I love you with all that I am and my heart will always be searching for you. I find it to be a miracle that at the exact time that dead tree fell on you, I was on my knees praying for God to keep you safe. On the other hand it saddens me that though I was on my knees you still were taken from this earth . The beautiful part is God has a plan and we are a part of that plan and I know we shall be together again. Through your life and death, God has brought me to my knees in prayer, which I have found to be the only place that I have peace . I may never know the reason why you had to go so early, but I do know God used your life to save me and direct my eyes on him. I thank you my sweet Tumbleweed for being a part of such a sad but beautiful gift . I will spend the rest of my days on my knees in prayer, for it is here that I am closest to God the closest to you.

My sweet Tumbleweed your life and death brought me the most beautiful gift and I Promise to share that with the world

“ I never met Kacy.. but I know she was a student at AUM with me... I'm praying for her and her family. I have also experienced loss and would just like to share some things that helped me through it..

As unfortunate as it is to lose someone so close to you, remember that god has a plan... and that this is the time to become closer as a family.

May she forever rest in peace.
