“ *This is so unreal. I cant believe Michelle is gone. We went through so much together and were the best of friends for so long. She lived with me when her mom and step dad moved to prattville. I went through her first pregnancy with her and was in the delivery room when Kaitlyn was born 5 weeks premature. I was with her through the weeks of Kaitlyn being in the NICU I held her hand through it all and brought her and Kaitlyn home to my house when she was released. We had not been able to see each other or talk as much as we wanted lately but we still kept in touch frequently. My heart is breaking but i have so many precious memories that will forever live on in my heart and mind. We laughed and cried together throughout the years and i love her dearly. I will forever miss you my Chelle Belle!!!! I have no way to get to the funeral but Michelle knows where i am in heart and mind! Always with her! Momma Betty, Cindy ,Cliff, BJ, Kaleb and Kendall yall are in my heart and prayers.*

“ Our Girls Kendall and Erica were best of friends when they were just babies. Michelle was a second mother to both of my kiddos when I was a single dad.

BJ and I were partners in several projects together trying to make ends meet and Michelle was right there with us taking care of our babies when we were out on various jobs.

We shared many Iron Bowls together on the back porch of their house in Millbrook with the grill smelling of good times and kids running around without a care in the world.

I wouldn't trade these days for all the money in the world!

I love this Family so much!

I just want this to be a horrible nightmare, and wake up to her messages again. I know she's not hurting anymore, but I can't help but want her back. I'm praying daily for everyone especially her children, husband, siblings and mother. I love you all. I love you always Michelle.

I can not wrap my head around this no matter what I do, just breaks my heart for myself and those who loved her. Michelle was a special lady I do know that. She was like a daughter to me and called me mama. Over the Memorial Holiday she spent 3 nights at my home and for that, I am thankful for the time I got to spend with her. Continuing to pray for BJ, Kaleb, Kendall, her Mother, Betty and numerous other siblings and relatives. Also praying for peace, comfort, strength in the days to come.

I knew Michelle from when she was a child. I baby sat for her and her siblings. She was always a good child and ever so helpful if I needed her to help me with anything. She was a joy. I saw her grow up in Greenville into a beautiful young lady. I just can't believe such a sweet and beautiful girl has left us. My condolences to her family.
