“ *I did not know Kelsey or the McGraw family but I work on Gunter AFB and received this email first thing this morning about this very sad news. Being a parent myself and could not imagine what it would feel like to lose my child, I felt like I needed to share this verse. I am praying for your family and hope that this verse will help you make it through this difficult situation. Psalms 34:17-18 "The righteous cry out, and the Lord hears them; he delivers them from all their troubles. The Lord is close to the brokenhearted and saves those who are crushed in spirit."*

“ I didn't know Kelsey well, but my son John played saxophone with her in band. They were a close group, and when I would talk with them at games, concerts or events, she would always be beaming and laughing. John has shared many great stories over the years; I know he and his fellow sax players as well as their entire group of friends will miss her deeply. I pray for peace and comfort for your family and for all the friends who will miss her. She was a joy to so many who knew her.

“ Dear McGraw Family,  
I have the sweetest memories of your daughter at DPES... During the lunches I would sometimes come and visit my daughter and have meals with the girls. Kelsey was a sweet, kind and very perceptive little girl. She was always a friend to my daughter, Cara, as they grew up. I am so sorry for your loss and I am thinking of you all. May God keep you close to him.
