“ *Ken was my friend and mentor. He had a genuine spirit of kindness and would light up the dreariest of days. His corner office cubicle was dubbed “Ken’s Corner” where people often sought refuge from the mundane workday to catch a few laughs. He never turned down a work request and supported the graphical needs that went far beyond our organization. Ken was one of those positive energies that mixed a lot of kindness and humor with a little bit of innocent sarcasm. I only have good memories of Ken Godfrey and feel blessed to have known him. He will be missed by so many lives he has touched.*

“ *Kenny always had a great attitude and selflessness about him. We enjoyed many a time in and out of the office working together in Savannah when we started our graphics careers. He always had a fantastic work ethic and sharing personality. Sadly lost touch as we moved on. My thoughts and prayers to Joel and family in this time of grief. Kenny was a special guy.*

“ Ken was one of the finest, fairest, thoughtful, and hardest working people I have ever met. We grew to know one another well, as colleagues and eventually friends. He was extremely supportive during my doctoral pursuits.

To Ken's family, I grew to know you all and your various pursuits through our myriad conversations.

My prayers for comfort and peace are with you. Our loved ones remain forever with us!

“ *People who knew Kenny admired his devotion to his family and they adored him! He was a kind man with a quick smile who I feel blessed to have known. My thoughts and prayers will be with Joel, Ryan, Jeremy and Andrea and their respective families as they adjust to a world without him. I think Kenny would appreciate this quote from Dr. Seuss - "Don't cry because it's over. Smile because it happened".*

My thoughts and prayers are with his family and friends. I was honored to work with Ken for nearly 20 years. I don't think I have ever known someone so kind and warm hearted. He was an expert at his craft, but he never minded sharing what he knew with anyone. Our loss is heavens gain.
