“ *The grief that is felt when we lose a loved one may seem unbearable. At such times, we can go to God's word for comfort. God too feels hurt when an individual dies. That is why the encouragement found at Revelation 21:4 assure us that "He will remove sorrow and death will be no more." According to this scripture, there will come a time when those we have lost in death will be brought back by means of a resurrection by the Almighty God. May the family find the comfort that God makes available to all persons.*

“ Ken and I worked together for about 3 years at the highway department. He was absolutely one of the best men I have ever known. No matter what was going on, he always had a good attitude and I looked up to him for the way he carried himself. I am very saddened with the loss of Ken and will continue to pray for his family during this time of grief.

“ We were deeply saddened at the news of Ken's death. He always had a smile and kind words for our family and we will always appreciate the kindness and attention he gave Sarah especially during softball season. We still remember Ken making a comment about Haley while she was running the bases during a game: "and there she is...wide open!". Still makes us laugh just thinking about it. He was a very good man and we are so sorry for your loss.
