“ Dear Evelyn,

Just want to let you know that I am thinking of you, I would think it is very emotional for you, after years and months of caring and loving your husband, your partner, Kenny, and now with his passing. I feel bad also that your father and mother, also passed within this short time. You are a strong woman and I understand that you can only do the best you can for everyone at this time, with Covid-19 this year and people distancing.

I understand your pain, for the family, and friends, that would like to be there and present, for Ken and for you, and his family. Paying their respects to Ken.

Be sure, that Love is sent your way to all of Ken's family. Keith, and Kenna Tatum. Also all of his Grandchildren and family on your side too.

To my son-in-law. Kyle, your father was very proud of you, and you loved each other very much. Memories that you can share. I am so happy you married my daughter, and this family loves you too. We should have no fear for ourselves or loved ones. We will rejoice as God's word says, when we meet again in heaven.

*"Blessed are those who mourn, for they WILL BE COMFORTED"
Matthew 5:4*

I am praying, and will continually pray for the family, that there is peace and love within all.

*Blessings,
El Orr*

“ I met Kenny the summer of 1966 when my family moved back to Prattville. Marcus, Kenny and I became really good friends the fall of 1966 and have remained friends all these years. I was grateful to be called Kenny's friend. To Evelyn - who was an amazing selfless caregiver, made hard decisions based on the information from the doctors, and loved Kenny to the moon & back. To Keith, Kena, and Kyle - may you hold tight to the memories and life lessons you shared with your dad. Kenny will be greatly missed. I am truly blessed to have known Kenny. We send heart felt condolences to the family.

“ Kena, Keith and Kyle,
I am so sorry to read this about your Dad. In talking with him a
couple of months back, I never expected to see this. I had full
intentions of getting with him after the holidays to share our
ancestry. Just in our short conversation, I found him to very
knowledgeable about our family roots. My thoughts and prayers are
with each of you.
