“ Uncle Harold was an amazing man. I feel very blessed for the time that i got to spend with him. He took Andy, Nicholas, Randy Nicole and I fishing and for the first time in my life, I caught one! He was always the heart of any family gathering and he will be missed.

“ *Gloria and family, I am so so sorry for your loss. I have so many
memories of Harold. I remember when I was a little girl and Harold
was dating Gloria. We would go to Spinners Park in Prattville.
Harold would drive into the park in his flashy sports car. He was full
of life and so funny. He would just light up any place he was
present. I know he loved his wife and his children and family with all
of his heart and I loved him. May God guide you through this grief
and bring you peace of mind. I love you Gloria with all of my heart
and I ache for you and you children! Your cousin, Theresa
