“Joyce so sorry to hear of your loss. If it hadn't been for you and LE I would not have made it as a Mother. You were there to help me to learn to take care of Nicole. I cherish the memories of you two. Praying for comfort for you and your family.

“My family would like to send sincere condolences to the Strength family for the loss of your dear loved one. May you find comfort and hope from the Bible promise at Isaiah 25:8. Please, pray constantly, avoid isolation, and lean on God as you cope during this most difficult time.

“We've known the Strength family ever since we moved to Prattville in the 1950's. We went to church together, some of us just hung out together and the younger ones played. I remember our daughter Lee (also now deceased) worked with L,E. at the paper mill. She told about her holding him by the back of his belt while he reached over to fix a log jam as the logs came through a chute or something in to the chopper. I asked her wasn't that dangerous,'She casually replied yes, if I had dropped L.E.:" He was a hard worker . He will be missed. My heart goes out to the whole Strength family at this time. I will pray for comfort and Strength at this sad time..
