“*RIP Larry. Please pray for Larry's family. I've known Larry for 30+ years and worked with Larry on many projects. Those who worked with Larry know what kind of man he was. He meant so much to so many in the community and in business. If Larry were alive today to see what his widow has done to his children and grandchildren, he would be appalled. His widow, and fourth wife Jill McGough, has taken the entire estate and left nothing for Larry's children and grandchildren. As longtime member of this fine city, it sickens me to have to call attention to this injustice. So very sad and shameful. To the children-- Larry Neil Jr and Ashley, you and your families are in my prayers. Your father was a great man, he was very proud you all. You are Larry's greatest legacy. I could share many stories.*

“ To the family of Larry Smith, we pray that our Lord and Savior will comfort you through this tough time. We've been neighbors for the past 12 years. If he saw me out in the front yard he would always wave and at times stop and chat. We will really miss him. God Bless Anthony & Vikki Daniel Family

“ Thank you for everyone for all the prayers for our family and the support everyone has shown to us.
I miss my daddy so much. He was my hero and this is so extremely hard and something I never thought I would be planning his funeral and picking his plot out today. Please remember us (myself, my brother, Jill and dads 5 grandkids) and keep us in your prayers over the next few days, weeks, months and years.
Dad was an amazing man and such a hard worker. He never let anything get him down. I admire him for that.

Ashley your dad was a wonderful man loved by everyone who was ever fortunate enough to meet him. He was always always smiling! He just glowed when he smiled and that twinkle in his eye always made me smile! Mr. Larry and my daddy worked with each other over the years and my father trusted and respected Larry for as long as I can remember. A handshake is how they did business! A contract was never needed between these two men because they were both men of character who honored their word.
I have had the pleasure of working with Mr. Larry on the Historic Preservation Commission for the City of Prattville. He was such an asset to our commission and we will miss him terribly.
I am praying for your family and I grieve Larry's passing. He was a man that I have always admired and enjoyed spending time with. I don't think that Larry ever had a bad day....praying for you all.

“ Larry was a like a big brother to me and I loved him like a big brother. He was a good friend and a good encourager and I owe him for the doors he opened for me that were substantial to my career. He loved his family. He loved the trips he would take with Jill and would always call me to tell me the places they went. He was truly a dear friend and I will miss him.

I am saddened to learn of Larry's passing. Through the Montgomery Chapter of the American Institute of Architects I got to know Larry over the past 38 years. I had a great deal of respect for him and will miss his warm nature and friendliness. The family is in my prayers.
