I had the joy of working with sweet Laura at the BCL. After I retired I missed her smile and laughter. She was such a positive employee who did her job with perfection. She loved her family so much and talked about them lovingly. I know if there is a cruise ship in Heaven, she has already found it. Praying for all of family.

Laura was a joy to work with, always cooperative and helpful. When she retired from the BCL, she left a void, and she left an even more significant void when she retired from this earth for her eternity with the God of her faith. My prayers are with James, her mom, her nieces, her great-nieces, and the rest of her family as they navigate through this challenging time. We lift you before God, the Father of our Lord and Savior, Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all.
